Wake Up America!

BULB-PLANTING SEASON IS HERE!

WE PROUDLY present a list of 100 per cent American-grown bulbs, grown on American soil, by American bulb specialists for American gardens. We are presenting this pre-season offering to apprise our customers of the fact that there will be bulbs of all descriptions for those who respond quickly by ordering NOW.

The European situation is such that it is unlikely any bulbs can be obtained from Holland this year. We have a plentiful supply of fine American-grown stock which will not last through the season. In order to render the best service, it is imperative that we have your order before October 1. We will gladly repay this coöperation by allowing a "Discount of 5 per cent" for all orders placed before October 1.

NOTE. All bulbs postpaid east of Mississippi River, with exception of Fleur de Lis, Japanese and Siberian Irises, Peonies and Hemerocallis.

COMPLETE FALL CATALOGUE READY SEPTEMBER

Really, no garden is complete without these chaste white Madonna Lilies. We are fortunate indeed, in our ability to supply the following strains. Supply very limited.

Madonna Lilies (*Lilium candidum*)

- Green Mountain Strain.** Fine New England stock, strong bulbs. 75c each; \$7.50 per doz.; \$55.00 per 100.
- Blue Mountain Strain.** Hardy Pennsylvania mountain-grown. 60c each; \$6.00 per doz.; \$40.00 per 100.
- North Star Strain.** For mass planting. Will have 4 to 6 blooms on a stalk. 40c each; \$4.00 per doz.; \$25.00 per 100.

Schling's Multiple-flowered Iris (*I. ochroleuca*)

Gorgeous Orchid-flowering Iris, splendid for cutting and mass planting. Perfectly hardy. New and worth-while.

White, Blue, Yellow, Lavender. \$3.00 per doz.; \$22.00 per 100.

Fall-Blooming Bulbs

Plant now—will bloom this Fall

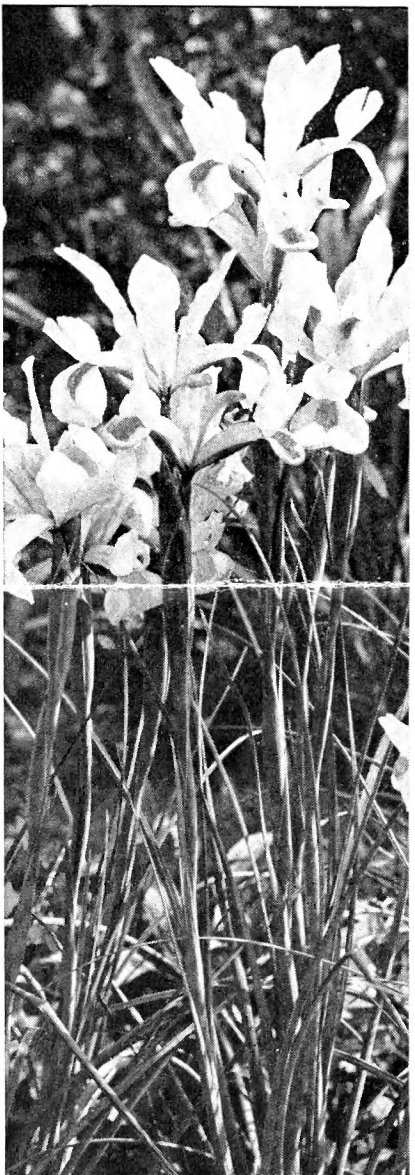

- Crocus zonatus.** Autumn-blooming Crocus. An unusual species with warm rosy lilac flowers accentuated by an orange-scarlet zone at the base of each flower. Each bulb usually produces several blooms. \$1.00 per doz.; \$7.00 per 100.
- Colchicum autumnale.** The large, glowing purple chalice-like flowers appear without foliage in early autumn. For picturesque effects plant the bulbs among low carpeting plants like Thyme or Veronica. 45c each; \$4.50 per doz.
- FALL-BLOOMING GOLDEN CROCUS (*Sternbergia lutea*).** Several flowers from one bulb. Will bloom in three weeks after planting. Ideal for rock-gardens. Plant 6-8 in. deep. \$1.75 per doz.; \$12.50 per 100.

DARWIN TULIPS

English-Grown

England for many generations has been the center of a huge bulb-producing industry. English growers have been loath to part with any of their planting stocks due to the high degree of perfection they had attained. Through our contacts in the past with English growers we have been fortunate in obtaining the following varieties of Tulips which we are privileged to offer.

ALL TOP-SIZE BULBS

- Afterglow.** Salmon, overlaid with orange. An exquisite color.
- X **Bartigon.** Fiery scarlet. Strikingly beautiful.
- Clara Butt.** Salmon-rose. A "must" variety.
